

# QH10

## Features

- Enhanced Video Compression which consumes less disk space
- Browsing speed of Video connection is seamless
- Supports multiple login users simultaneously
- Device supports 433 agreement alarm linkage device access

## Specification

Image Sensor	8135S + 9712 Sensor	8135S + 1035 Sensor
Shot Pixel	100W	130W
Resolution	1280 X 720 720P	960P
Camera	3.6mm : 80°	
Cloud adjustment	Horizontal : 0°-355°, Vertical: -20°(down)-90°	
Day and night conversion mode	IR-cut, double filter automatic switching	
Minimum illumination	0.02Lux @ (F2.0,AGC ON), 0.Lux with IR	
Video compression standard	H.380	
Video Frame rate	30FPS	
Video compression data rate	HD(720P) Fluent (VGA)	
Audio compression standard	AOPCM	
Audio compression data rate	Adaptive	
Network Interface	1 RJ45 10M/100M adaptive Ethernet port	
Wireless network Protocol	Wi-Fi(IEEE802.11b)	
Memory	Support Micro SD Card (Maximum 64G)	
Infrared distance	5-10M (Depended)	
Power Consumption	3W (MAX)	
The rated power	DC 5V 1A	
Working temperature	-10°C-50°C, <95% (No condensation)
